OBITUARY

A father of four; a grandfather of nine;
A CHAMPION TO ALL!!!!

Millard E. Terrell was born in Roanoke, Alabama on January 8th, 1920, where he served as President of the Gadsden Youth Organization, a group formed to instill civic pride in Alabama Youth. Mr. Terrell continued this endeavor when he became a resident of the Franklin D. Roosevelt Homes in 1966. He, along with the late LeRoy Johnson and the late Timothy Still, founded the first Tenants' Association in the City of Newark. In 1961 he became President of the FDR Tenants' Association, a position he held at the time of his death. When appointed a Housing Commissioner in 1973, Mayor Kenneth A. Gibson described him as being one who "combines the qualities of an experienced tenant leader in public housing with the administrative and management skills of federal government service". He also served on the executive board of the Newark Tenants' Council and was recently the Guest of Honor during an N.T.C. banquet where he was cited for his tenant advocacy.

An Army veteran, he was a Supervisor of the Air Force's transportation audit section responsible for audit and verification of port handling and transportation charges for all Air Force cargo moving through the New York Port of Embarkation.

He is survived by his loving wife of 44 years, Wilda, a brother Jimmy of Gadsden, Alabama, two daughters, Mrs. Veronica Sweeney and Miss Allyson, two sons, Stanley and Michael. He is also survived by nine grandchildren, Shalisa, Cassaundra, Aaron, Salimu, Torian, Malika, Toussaint, Malcolm, and Jahad.

As we mourn the wonderful man that has left us, we must continue to celebrate the spirit he left with all of us.

WITH THANKFUL HEARTS

If, We, the Family of the Late Millard Terrell,
have failed to say in words or actions how thankful
we are for the many kindnesses shown us during these
hours of bereavement, Please believe we are grateful.
We are so blessed to have such wonderful friends, and
we shall forever cherish you.....
